

# Sunrise Valley ES Advanced Beginners Winter 2019-20 Chess Program

Grades 1-6  
in the Library, 8:15 – 9:10 am  
Thursday 11/21/19 thru 1/23/20 for a total of seven classes!  
(no chess on 11/28, 12/5, 12/26, or 1/2)

Instructors from Snow's Chess Academy teach chess to children as a means of improving both their academic and social skills. Chess teaches responsibility, discipline, critical thinking and problem-solving skills. Chess players learn to make the most of their opportunities and how to turn a bad situation to their advantage. They learn not to make excuses for their setbacks, and to win and lose graciously.

In our "Advanced Beginners" program, a prerequisite for enrollment is the student's full knowledge of piece move and capture rules, and the rules regarding castling, draws and e.p. captures.

The Chess Program is **\$80 (\$70 for PTA members)** for seven once-a-week sessions. If your child would like to participate, keep reading!

**The registration deadline is 11/15/19.** This deadline is firm, sorry no walk-ins accepted. Do not wait until the last minute since we are accepting a maximum of just 20 students in the class.

Please be prompt in dropping off your student to arrive in the library at 8:15 am sharp. I am delighted to be the instructor this time, and am a great believer in starting on time and ending on time.
