Did you know that the SVES PTA supports a weekend backpack program to help ensure that SVES families that might need a little extra assistance have food for their kids over the weekend. Each weekend the program sends food home with kids in their backpacks?

Please support these families by donating to the backpack program!

- Nonperishable food items can be dropped off anytime in the bin inside the main entrance of the school. Single serving donations preferred.
- Items can be purchased directly from the Amazon Wish list (see QR code).
- Tax deductible contributions can be made on <http://svesptboard.com> or checks payable to the SVES PTA can be dropped at the front office **AT ANYTIME**. Please indicate on the check that your generous donation is for the SVES Backpack program.

Thank you so much for the generous support of the SVES community for this important program! We couldn't do it without you!
